Produced Annually by the
STUDENT BODY OF
FREMONT HIGH SCHOOL
Oakland, California

We will do right for the right's sake.
We will respect the rights of others.
We will never bring disgrace to this, our school, by any act of dishonesty or cowardice, nor ever desert our suffering comrades in the ranks.
We will live for the ideals and sacred things of the school, both alone and with many.
We will revere and obey the school's laws and will do our best to inspire a like respect and reverence in those about us who are prone to annul or set them at naught.
We will strive unceasingly to quicken the public sense of civic duty.
Thus in all these ways we will transmit this school not less, but greater, better, and more beautiful than it was transmitted to us.

Our Principal ... Mr. Kretsinger

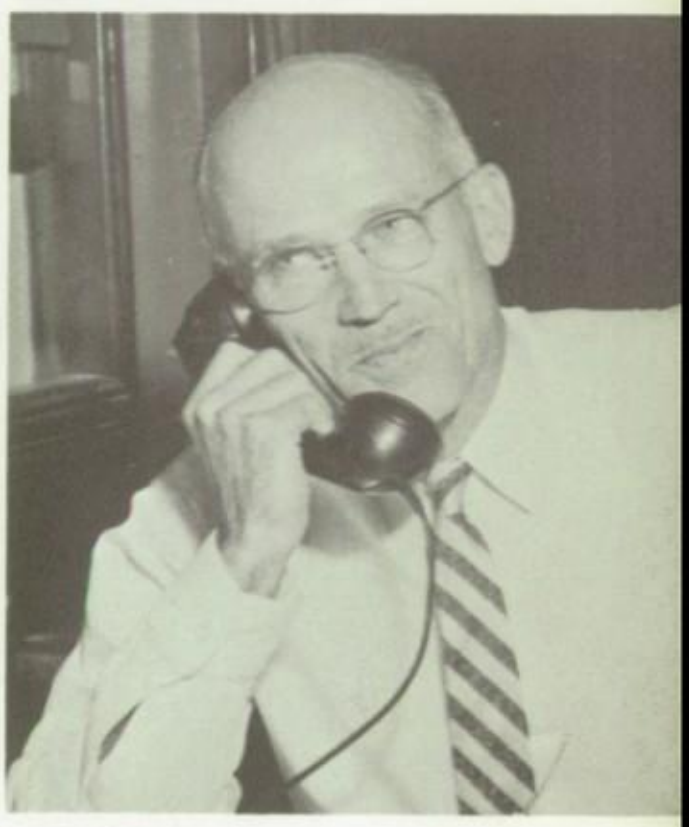
Administration

MRS. CAROL WICKERT
Vice-Principal,
Dean of Girls

The theme of this year's Flame is "A Year in Paris." Mrs. Wickert's theme might well be "A Year at Fremont," since this is her first year in her job as vice-principal and dean of girls. She is, in fact, not a stranger to Fremont, having been both a teacher and counselor in times past.

This, plus her enthusiasm and interest in the school, qualifies her fully for the title, "Friendly Fremonter."

MR. IRVING WAUGH
Vice-Principal,
Dean of Boys



Admired and respected by faculty and students alike, Mr. Irving Waugh continues to give himself wholeheartedly to his job of vice-principal and dean of boys. Mr. Waugh is also a "Friendly Fremonter" by the right of being a graduate of our school.

His loyal backing of the school is especially apparent in assemblies and at rallies and games. He has the "Fremont Spirit."

Dedication

This Flame is affectionately dedicated to our beloved principal and friend, Mr. Richard W. Kretsinger. During his years at Fremont, Mr. Kretsinger has been an untiring worker and a booster for Fremont. Blessed with the gift of words, he has never failed to express eloquently to students, faculty, and parents the hopes and high aspirations of our school.

He will, therefore, remain an inspiration to the hundreds of students and teachers at Fremont who have been fortunate enough to have known him.

CLASS SONG

(Sung at the senior dinner by the Graduates of January, 1958)

Around the school in three great years
We've had some fun
With all we've done
A'mid our tears and cheers.

We found some time, somehow, somewhere
To struggle through
What we should do
Like studying here and there.

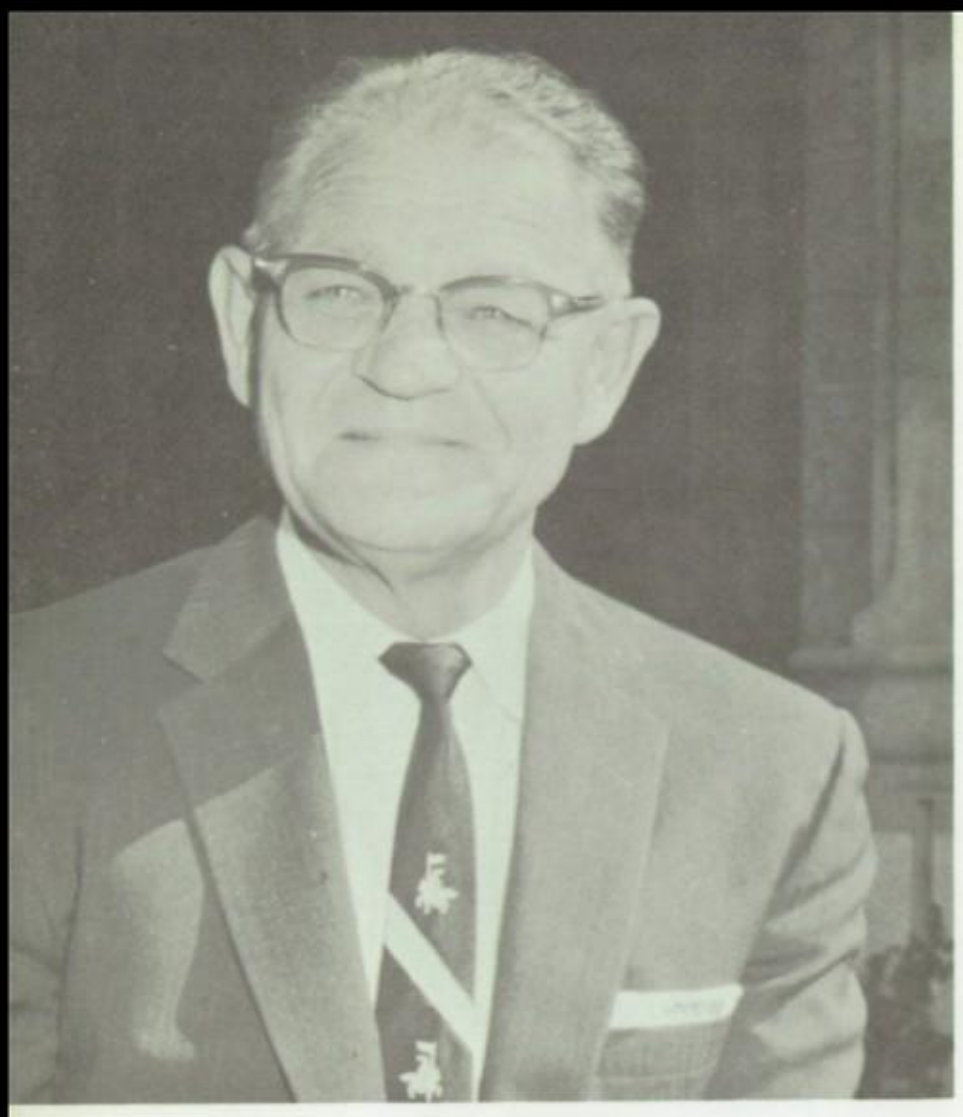
We had a helpful counselor here
With Uncle Ray
To show us the way
From year to year to year.

No more shall we
Go wandering through the school
For school will all too soon be through.

—Song by Lynn Rogers

Tune: "Around the World in 80 Days"

Fall Graduates



MR. RAYMOND RIESE
H12 Counselor

To the class of January, 1958

Time marches on, and you have come to the end of an all-too-short three years at Fremont. You are about to pass a very important junction point in your life: Graduation.

Yes, but to what? Surely no class ever embarked upon a journey into a future which was more clouded with doubts, insecurity, and yet great and promising with unheard of achievements in the offing. The mere passing of time, while it means change, does not necessarily mean progress. Progress depends upon the purposes and goals for which we strive.

Henceforth your journeys will be less guided, protected, and watched over. Greater responsibilities will be added and the results obtained, more the results of your own acts.

It is the hope of your teachers at Fremont that your high school experiences will have helped prepare you to meet the challenges of the future.

It is my personal wish that you will have the "attitude toward" which will lead to true happiness in a well adjusted life. "What you think" is so tremendously important to your own life and equally if not of greater importance to our democracy—whose very existence depends upon the total opinions of its members.

Success and happiness will not come to you as an accident but rather the result of careful planning and constant effort.

It has been my privilege to journey with you this short way "Around the World" and to share with you the rough spots, as well as the bright and shining successes.

I shall treasure your friendships and your confidences as I know you will your memories of Fremont, which will always be a part of you.

May you be a credit to your country, your school, and yourself.

Around the World

On September 10, 1957 we arrived at Fremont to find ourselves high and mighty seniors, 169 strong.

Ken Blum had been elected to lead the class "Around the World" with the help of Jessie Seguin, vice-president; Janet Harper, secretary; and Bob Bowser, representative.

The big wheels around the school were Cliff Schultz heading the student body with Louise Nygard, vice-president; Sandy Walline, secretary; Linda Marr editor-in-chief of the G and G; Lynne Kilgore fall Flame editor; Billie Thrower, Commissioner of Social Affairs; Sue Kramer, Head Yell Leader; Donn Lipman, Boys' commissioner; Gary Wood, Commissioner of Entertainment; and Ed Penhoet, acting Commissioner of Finance.

Senior Picnic came like a flash with Charlie Lockhart and Jeanne Hathaway as general chairmen. They picked Marin Town and Country Club as our Playland. (We'll never forget that pie eating contest will we Mr. Waugh and Uncle Ray?)

Hello day came with Larry Lawler teaching a class of Outer Mongolians. Sue Kramer wanted the Keyes Trophy for the trophy case and it appears she gets what she wants.

We smiled at Cliff Barbera for our Flame pictures and played DeAnza and Salinas. We beat DeAnza 13-2 and Fremont won the first football game in a number of years way out in the Richmond tules.

We saw Jeanne Hathaway crowned Miss Sports Queen of 1958.

Then we started work on our Term Play "George Washington Slept Here" starring Gary Wood as Newton Fuller and Jessie Seguin as his wife Annabelle. Linda Marr played Madge Fuller his daughter. Donn Lipman as Steve, her boyfriend, Katie and mean Mr. Prescott with his cane played by Dorothy Martin and Ken Blum respectively.

Uncle Stanley better known as Dale Bennett chopped a whale of a hole in the roof. Remember Cliff Schultz as the fresh kid Raymond coming in dripping wet after his little swim? Louise Nygard as the neighbor who was nice enough to explain who really slept in the house. Lynn Rogers as the Heater the "naughty" maid. Mr. Kimber or Charlie Lockhart took a shine to Rena Leslie, that actress better known as Lynne Kilgore and her husband Bob Bowser wowed all the girls.

John Fugler, Gary Williams, Sandy Harman, Jack Hubbard and Janet Harper came to visit. Behind the scenes were Sue Kramer and Janet Harper prompting, Sue Woodburn directing, Del Cooley as stage manager and Ed Penhoet as prop man. Sue Squires, Pat Ridgwell and Norman Case working hard on set decorations.

The third stop on our journey was the Golden Gateway for dinner. Nancy Van Every as chairman and her committees made it a wonderful evening and a night to remember.

Then it was January 10, and the big night had arrived. Senior Ball called "Tanishimi" meaning Happiness was held in Japan with Roger Douglas and Jack Hubbard as chairmen. After the ball we dashed over to the Foothill Masonic Temple where our parents had dinner and dancing waiting.

Baccalaureate and Graduation followed close behind.

With Graduation we bade fond farewell to Fremont and to Uncle Ray. We have many wonderful memories because of you and we won't forget you ever.

Good Luck,
LYNNE KILGORE

MISS JOAN LEONARD
Counselor

Counselors'

Dear Seniors,

June 13, 1958! Three counselors later, and your greatest accomplishment to date—graduation from Fremont.

Speaking for Miss Shadall, Mr. Rothman, and myself, it is with feelings of pride that this accomplishment is viewed.

Each of the three years at Fremont brought serious adjustments, and you have been able to master these changes. You have developed greatly in skills, personal qualities and knowledge. Your associations and activities have helped to shape your growing maturity.

Each of our individual relationships with you makes us aware of your spirit of cooperation, acceptance of responsibility and friendly spirit.

Now you are ready for the next big step. Whatever this advanced step may be, you are certain always to remember the importance of these past three years at Fremont.

Our hope is for your continued growth and happiness. Each of you will have opportunity in the future to achieve great things, and due to your past ability to make the most of each opportunity, we are confident of your successful futures.

J. LEONARD

FREMONT GRADUATES!

For you this semester marks an important milestone; it is the end of one kind of world, yet the beginning of another. Welcome! Welcome to the world of adults!

My sincerest wishes for a happy future.

Messages

To the Seniors of June, 1958,

In September, 1955, you arrived at Fremont. Now you are graduating. It has been a real pleasure to work with you during these three years, and to share your trials and triumphs.

Five, ten, fifteen years from now—whenever you glance at your Flame, you'll find yourself remembering, as have many others before you, your days at Fremont. I am sure that your memories will be largely happy ones.

Graduating classes leave reputations behind them. You are fortunate that your class has established a reputation for fair-mindedness and friendliness. This, I am sure, will be a source of pride to you in the future.

May you take advantage of future opportunities with the same willingness you have shown here.

Class History

In September, 1955, a new L10 class filed into the auditorium starry-eyed, eager, and full of anticipation. We sat staring around at the hundreds of strangers from other schools, trying to pick out familiar faces.

We spent the first few weeks of school finding our classes, looking for the elevator and watching the mighty seniors, thinking we would never be H12.

During the first semester, we had many class and student body activities. We elected George Nickolas our first class president. The L12 girls held their annual Big and Little Sister party for the new members of the feminine part of Fremont. The theme was tropical. We might also take the bows for starting of what could be called the first sign of bermuda shorts worn in great numbers in Oakland. The reason for this was our class party, "Bermuda Hop."

As the football season came and went we no longer were the youngest class in school. Bob Dahl was elected to lead our class in spring, '56.

Remember the excitement at the H10 "Barnyard Spree"? In square dancing it turned out we couldn't tell our left from our right.

Toward the end of the spring term came Flames. The excitement of trying to find ourselves was useless—the pictures were so small it was hard to distinguish one from the other.

By the L11 we were all acquainted with the students, school, and teachers. By this time, the high and mighty seniors looked more our size. Bill Walkup had a successful term as class president. "Tramp Stamp" on November 9, 1956, was our L11 party. In the spring of '57 we were well on our way finally to reaching the last step in high school.

April 26, 1957, was eventful. Led by Frances Pepitone, the H11 president, the Junior Prom, "Oriental Magic" was a wonderful affair. Our class party at Roberts Pool had swimming and baseball. When it came time to eat, it looked as if there were a stampede of cattle charging toward the food.

September, 1957, the beginning of senior year, **our senior year.** Our L12 president was Ken Robie. The party "County Down" was put on jointly with the H12's. The biggest events were the Big and Little Sister Party and the L12 Mother's Tea; the boys were willing to entertain for the party and the theme was "Space Daze." The tea was "Lovely Ladies."

Bob Dahl, the president of H12, has led us through a very wonderful semester, full of fun and life. "Sidewalk Cafe," our senior dinner, was held at the Hotel Leamington on March 27, 1958. Remember how we all laughed at the pictures and prophecies.* Next came our senior picnic. Maybe we caused a panic in the halls and disturbed the classes all morning before we left on May 7, but everyone would have liked to go with us.

May 29 was our senior ball. Nothing has to be said about it, for each of us who attended knows how good it was.

June 13, 1958, is the last day of high school. The joy of being H12's is mingled with sorrow and a little fear as the final months of high school, report cards, and being a part of Fremont draws near.

The joy is the success of a goal, graduation from high school. The sorrow and fear are leaving school and starting a life of decisions which we must make. While at Fremont, we have had many experiences, some sad, some happy, but all have shaped our lives and changed us some. For many of us the friends we have made will be lasting ones, for others there will be new experiences and new friends. But for all, there has been a lot of excitement.

There will always be a special place in our hearts for the memories of three wonderful years at Fremont High.

"The Matchmaker" was the name of our term play.

Good luck,

CLASS SONGS

GOODBYE, FREMONT

Goodbye, Fremont, sorry we're leaving
Goodbye, Fremont, your friendship we'll be grieving
We've all had such a wonderful class
Now we regret that it just can't last
So we'll say
Goodbye, Fremont, to all our proms and dances
Goodbye, Fremont, term plays and romances
We all love you, and we won't forget you
Goodbye, Fremont, goodbye.

CHANTEZ, CHANTEZ

Chorus:

Chantez, chantez, sing a little senior song
Chantez, chantez, everyone sing along
Let's forget the little things we've done wrong
Toodle oodle ay, toodle oodle oo, Sing farewell from us to you
Toodle oodle oo, toodle oodle ay, everyone Chantez.

Verse I

Will you think of your classmates wherever you may go?
Will you think of everyone, yes, Tom and Dick and Joe?
Will you think of all the good times in our senior year?
They were the good times, the times that were so dear.

Verse II

At our senior dinner, pals, we really had a time,
At our senior ball, we all were really dressed up mighty fine
At our senior picnic gay, oh, it was just a dream
That was the day that the seniors went Bohem.
